Class rooms and washrooms should be clean everyday as we are learning there and no one like to learn in such unclean and dirty area. Kindly keep eye on cleanliness for students.

No .. All College Facilities, teachers are all good and very excellent..

Internship

Good response for all teachers

1)In library there is lot of noise...some girls just come to gossip this cause disturbance for other girls who are really studying.... At one time student should be allowed 2-3 books to be given to read and not one.

2)This is the big request to the principal... Please allow 4th floor and 5th floor students to use lift... Students have to go on time for science practical... It's not easy all time to climb the stairs we really feel tired and it becomes difficult to focus on lectures... Some students don't do their breakfast and during break time they have to eat in canteen... But I have seen some students who don't eat their lunch coz they have to climb stairs again😞.... Plz consider this request 🙏.

3)Overall college is really good for girls.. I have spent my 3 years(Bsc microbiology) in this college and I am Proud that I got to learn so many things from such great faculty members who are always ready to help at anytime.

Everything is good.

Nothing else

It's really tiring to go on 5th floor daily by stairs. Please allow us to use lift. Please.

Lift for students

Siddhivinayak college teachers are good teaching and solving problems of the students.

Nope

There should be a change in timing of the college actually it should be early in the morning near about 7 amour previous timing was from 10am to 4pm .. regular college timing is taking the whole day so we students should get some time to study..it becomes little bit problematic for the students living far from college so its my request to change the timing of college. It should be from 7am to near about 1pm. Thank you!!
